## ARTICLE II: CHECK-OFF

---

1. All teachers in the bargaining unit have the right to join or not to join the Association. The Board shall cause to be deducted the Association dues from the salaries of each teacher who shall furnish the proper authorization to make such deductions. All teachers in the bargaining unit share in the contract benefits and the Association representation. Those teachers who are members of the Association discharge their obligation through membership dues.
  - a. The Association will advise the board in writing as to any change in the amount of said dues at least thirty (30) days prior to the effective date of any change. All dues shall be irrevocable for the terms of this contract and thereafter, unless the individual teacher shall submit in writing his resignation from the Association by certified mail to the Association's office during any period of fifteen (15) days prior to the expiration of this contract or succeeding contracts.
  - b. All deductions above shall be remitted on a monthly basis or more frequently, as decided by the Administration.
