
ARTICLE XI: EXTRACURRICULAR ACTIVITIES

1. The faculty will be notified of openings in extracurricular activities by posting in the School. All faculty members in the School may apply.

In the case of openings of extra-curricular activities which occur during the summer, these openings shall be posted on the first day of school and remain posted for ten (10) days thereafter. When the position needs to be filled immediately, however, the teachers will be notified by mail of these openings which shall not be filled for five (5) days after the position becomes available.

2. All openings for coaching positions in sports shall be posted in the School. All qualified teachers and other interested persons may apply.
3. First consideration shall be given to qualified applicants in the School.
4. The School will provide excess automobile liability coverage applicable to teachers transporting faculty members and/or students on or as part of school activities. The master copy of such coverage shall be sent to the Association.
